## BECOME A FRIEND...

**Holy Spirit School** is proud to announce that we have bolstered our presence on the Internet. You are invited to check us out at our newly created *Facebook* Page.

Our site is intended to supplement the wealth of information provided on our school's website plus to provide a method for meeting and communicating with other member's of our school community.

### **Already have a Facebook account?**

Our site can be found by searching for "*Holy Spirit Knights—Heart of the Valley*" or click on the image above.

### **New to the social networking scene?**

You will need to create a Facebook account and then search for us as described above. If the entire notion of navigating around Facebook seems overwhelming feel free to contact one of the three site administrators—Wendy Janu, Gina Sobczak or Lorie Raddatz. Each of them will be happy to provide tips or guidance in learning the Facebook experience.

So take a moment...go to Facebook.com and become a friend of Holy Spirit –TODAY!
