Searching for Dessert Makers

We are looking for dessert makers for the "Dessert of the Month Club" for the 2010 Mardi Gras.

Let me explain how this works. I need to unite people who would like to make one dessert for a certain month sometime in this next year. I organize 12 people in a club, one person for each month. Then, we put this in the silent auction and people bid on this club. The winner gets to receive one dessert a month for a year. I then need 12 more people to establish a bucket raffle dessert club. These desserts are well sought after each year.

If you are interested, all I need is for you to decide on two desserts that you enjoy making. The winner gets to pick only one of the desserts that you are willing to make in your assigned month. This way you have control on the request since it is your two desserts that you know how to make best. The winner has to live within a 15 mile radius of the school and we ask that you deliver the dessert on the agreed upon day of your month. It is very easy to do, fun to be a part of, and the school makes an excellent profit.

So if you like to create tortes, cheesecakes, pies, ice cream desserts or unique cookies, this is your chance to do it while helping our school at the same time. Please fill out the bottom of this form and return it to school, or e-mail me at suzieandtim@att.net. I will contact you with more details after Mardi Gras. You may also call me, Suzette Vosters, at 788-1324.

Thank you!
